In accordance with the orders issued in G.R., P.W.D., No.S.37-27/9528, dt. the 23rd Aug. 1953, the local officers are authorised to allow a special pay of Rs. 15/- to a member of the S.S.E., who may hold dual sectional charge in exigencies & service provided the dual charge comprises two regularly constituted sections and is held for a period of not less than one month. It is also stated in para 3 of the G.R. that inorder to check any tendency to the too free duplication of sectional charges by reason of withdrawal of subordinates for extra sectional duties or the liberal grant of leave, an annual return should be submitted to Govt. by the S.Es. of Circles in Sep. showing the number and duration of the duplications and the reasons for them.

2. The reports due from the local officers in Sep. 52 have been consolidated in the accompanying statement showing the number of persons who held dual charge in each Circle as also the time during which they held the dual charge. The S.E.B.C. has reported one case wherein he has not mentioned the name of the overseer. It is stated that the overseer is holding the charge from 13-2-51 to date. The S.E. may be requested to discontinue the arrangement as the reason for such arrangement is stated to be non-availability of overseer since the deputation of Shri A.R. had the overseer, who was in charge of Worli Section. Similarly the P.H.E., who has continued Sr. No. 7 Shri N.A. Diwakar on dual sectional charge may be advised to post another Dy. Engr. vide Shri Bodas, who is transferred to Thana Sanitary Sub-Dn. In all other cases the circumstances compelling local officers to entrust the overseers with dual charge seem genuine.....
